

Ben Lamm

Co-Founder and CEO
Colossal

Ben Lamm is a serial technology entrepreneur passionate about emerging technology, science, space and climate change. He has built disruptive businesses that future-proof our world. Ben is active in angel investing, incubators and startup communities and invests in software and emerging tech.

Prior to Colossal, Ben served as the founder and CEO to several companies, including Hypergiant, an enterprise AI software company focused on critical infrastructures, space, and defense; Conversable, the leading conversational intelligence platform acquired by LivePerson; Chaotic Moon, a global creative technology powerhouse acquired by Accenture; and co-founder of Team Chaos, a consumer gaming company acquired by Zynga.

Ben is a fellow of the Explorer's Club; serves on the Scientific Advisory Board for the Planetary Society; and sits on the Advisory Board for the Arch Mission.
