

Bryan Chambers

Co-Founder & President
Capital Factory

Bryan is a business development and investment professional experienced in portfolio management and venture capital transactions.

Prior to joining Capital Factory, Bryan established the Blackstone Launchpad and UT Dallas Seed Fund at the University of Texas at Dallas where he actively advises students, entrepreneurs, and early-stage ventures and serves as a member of the entrepreneurship faculty.

Bryan is a founding team member and at Fixd Repair, an insurance technology and home services business where he led the business corporate development strategy. Bryan has spent his career working with and investing in venture-backed startups including ReachLocal, LevelUp, and Fran POS.
