

Chad Steelberg

Founder & Chief Executive Officer
Tiberius Aerospace Inc.

Chad Steelberg is an American entrepreneur and executive with more than 25 years of experience in the technology and private equity sectors. As the Founder and CEO of Tiberius Aerospace, he oversees the company's strategic direction and the development of technical capabilities.

Prior to Tiberius, Mr. Steelberg co-founded Veritone (NASDAQ: VERI), an artificial intelligence computing company, where he served as Chairman and CEO. His career includes the founding and successful exit of several technology firms: dMarc Broadcasting (acquired by Google), AdForce (IPO and subsequent acquisition by CMGI), and 2CAN Media (acquired by CMGI). His expertise focuses on identifying emerging technologies and scaling them through commercialization and public market integration.
